

GOVERNMENT MODEL HIGH SCHOOL-1 RC DHANAS CHANDIGARH
ANNUAL SCHOOL REPORT 2022-23

Government Model High School -1 RC Dhanas, Chandigarh situated at the periphery of the city aims at imparting quality education emphasizing the round development of the students. As a regular practice followed every year, this session began with the process of admissions. As per RTE Act and existing departmental guidelines, admission was given to maximum students including the dropouts. Apart from regular classroom teaching, students were engaged to learn through the Diksha app, E- Pathshala app and motivated to attend lectures on the Swayam Prabha channel and Kishore Manch. Other study material such as 'HARSHIT' for science and 'STEP BY STEP' and 'MATHLETE' for mathematics, 'SANKALP' and 'ROCHAK PITARA' for reading literacy was also shared with students regularly. Monitoring of performance as per learning outcomes was done regularly through the Phoenix app. Remedial classes for weak students were conducted. Teachers updated their knowledge by attending seminars/ workshops/ courses conducted time to time by training institutes/ department.

SMC meetings and PTMs were held regularly. Counseling of parents and students was also carried out by counselors and teachers for sharing valuable knowledge, solution of problems, motivation and making them aware of the government guidelines. Awareness programmes were organized on cyber crime, ICT, adolescent, drug abuse, ill effects/misuse of mobiles and personal hygiene. Doubt clearing sessions and guidance was provided to Class-X students to prepare them well for board exams. Regular training was carried out for CWSN students at cluster level. A Whatsapp group was also formed. Online physiotherapy and speech camps, , skill training ,medical camp, alimco camp were organized. Mid-day meal dry ration and medicines (albendazole, IFA tablets) were provided regularly.

Pre Matric scholarships for SC & OBC students, Minority scholarships for students of class 9 & 10 , Meritorious scholarship for students of class 1 to 8, Attendance scholarships for SC & OBC students, and Disability scholarship for students for class 1 to10 was also disbursed.

School is also associated with a few NGOs who regularly provide free Textbooks, uniforms, and shoes to needy students. All activities under Fit India Program were conducted regularly. PT, Yoga and meditation sessions were conducted during morning assembly time to time. Youth & Eco club activities, art exhibition, Poshan maah, van mahotsav etc was conducted. School also participated in Girl India Project established for girl empowerment through collaboration of CCPCR and Yuvsatta. Paper and other waste materials are recycled regularly through creation of compost pit.

Various competitions and activities such as poster making, essay writing, poem recitation, model making etc concerning Environment Day, Earth Day, Biodiversity day, Voters day, No tobacco day, avoid single-use of plastic, Swatch Bharat, etc were also held. Science and mathematics exhibition was organized in the school, in which many innovative models concerning energy, environment, toys and technology, fun with maths and best out of waste were prepared by the students. They participated in these activities with enthusiasm. Entries of two students of our school was selected for INSPIRE award scheme. The school participated in cluster level science and technology fair. A total of 153 students took the Class-X board examination and the school pass percentage was 69.2 %.

We are optimistic that in this session also the school will continue to organize many good programs and activities, for the overall development and growth of all concerned.
